Recommendation letter

Recommendation letter for Mr. Till Pöhlmann

To whom it may concern,

I am pleased to write this recommendation letter on behalf of Mr. Till Pöhlmann.

I met Mr. Till Pöhlmann on November 22, 2018 in his quality of Professional juggler as he participated in the event "National PhD welcome Day 2018" organised by LISER, in cooperation with the University of Luxembourg and the Luxembourg Research Institutes, to which more than 160 Luxembourg based PhD candidates and members of the participating institutions participated.

Mr. Till Pöhlmann was the animator of a workshop where he taught the participants to juggle. This workshop was designed as a symbolic way to address the issue of the challenges the candidates will have to face during their PhD career and the importance of developing their capacities to juggle between all these challenges.

After the workshop, which was very successful and brought a lot of joy to the participants, Mr. Till Pöhlmann presented a show that was amazingly well prepared and expressed his creative artistic skills.

As organiser, I appreciated preparing the event with Mr. Till Pöhlmann who has been cooperative and worked hard to provide a beautiful presentation that was very well evaluated by all participants.

Undoubtedly, I will gladly work again with him, should a new opportunity present itself and I recommend him to any institution who is looking for a professional juggler.

Sincerely,

Esther Zana-Nau
Programme Manager - Doctoral School
